

FotoKem Student Filmmaker Grant

The FotoKem Student Filmmaker Grant is available through your school. FotoKem does not hand out the grant or set requirements for application. Check with your school officials to see if they offer the grant and what requirements are necessary for students to qualify.

The grant covers the cost of film processing, print dailies and answer printing. There is a processing limit of 10,000 feet for 16mm and 20,000 feet for 35mm. (The grant does not cover costs for 35mm blow-ups nor video costs, ie telecine or dubs).

There is also 1 separate FotoKem Answer Print Grant per semester.
